## Introduction

Based in Stockport, near Manchester UK, we are Darren Poyzer & Trisha Plant, an award winning yet really down to earth live music duo, playing mostly original music whilst living a modest life within a working class community.

Darren has been writing and performing for over 40 years, a career during which he has performed at many festivals including Glastonbury Festival, Edinburgh International Festival, Belladrum Tartan Heart, Acoustic Festival Of Britain, Oktoberfest and Bearded Theory, at theatres, clubs and cafes all across the UK.

Trisha teamed up with Darren in 2025 and within 3 months the duo became award winners for their performances and contributions to Buxton Festival Fringe. She is a keen home crafter, community events team leader, and former care work manager.

Depending on the event we are also very capable of 'going mainstream' by playing a set of songs, with the emphasis on creating a singalong environment. We are very experienced in this due to our community music work at home.

The 'classic covers' we play cover 2000's back to the 1960's, artistes and bands such as The Killers, Johnny Cash, Stereophonics, Deacon Blue, Snow Patrol, Oasis, Hawkwind and The Proclaimers, including songs such as:

500 Miles . Dakota . Blowin' In The Wind . Worried Man's Blues . Dignity . Human . Daydream Believer . Whisky In The Jar . Don't Look Back In Anger . Wellerman . Ghost Riders In The Sky . Chasing Cars . Hurry On Sundown . One day Like This . Sit Down . It's The End Of The World As We Know It . Bring Me Sunshine & more!
